Dept. No.: [INSERT DEPT. NO.]

vs.

Mirko Schacke

Defendant(s).

MOTION TO DISMISS

Defendant seeks the judge to dismiss the case against him. Grounds for dismissal of case are:

TradeMastersUSA LLC was a legally separate entity. TradeMasters was aimed to grow business, researching various settings of its software, constantly developing new indicators for the next software updates it was about to launch. For this, TradeMastersUSA LLC hired a software developer in UK. TradeMastersUSA LLC had just started prior to this case and had not yet have a chance to have hired W2 employees. TradeMastersUSA LLC had hired one contractor as a 1099, Ben Munger, who also had access to the www.TradeMastersUSA.com website and its development. Ben Munger also had an accociated email through TradeMastersUSA LLC. TradeMastersUSA LLC did in fact also have its own legal business office. TradeMastersUSA LLC had in fact office rooms and friendly staff members to answer its phones, which was provided through the company "Intelligent office". TradeMastersUSA LLC had its

1 own bank account with Welsfargo. TradeMastersUSA LLC had its own PayPal account. Never did
 2 defendant Schacke comingle his personal funds with TradeMastersUSA LLC. TradeMastersUSA LLC
 3 had legal binding contracts with its software clients. The juristriction for this case was selected by the
 4 location of the entity TradeMastersUSA LLC, not defendant Schackes residence. TradeMastersUSA LLC
 5 was always separate from defendant Schacke. Proof of stated claims can be provided upon request. Based
 6 on these grounds defendant is seeking to have this case dismissed against him.

7 For the reasons stated above, the Court should deny the pending motion.

8 DATED this 07 day of September, 20 17.

9 I declare under penalty of perjury under the law of the State of
 Nevada that the foregoing is true and correct.
